For my encounters:

At the point when I was in secondary school, I used to be a bashful individual when it came to English class since we set a standard in our group. If you have any desire to converse with your cohort, you need to talk in English. That is my shortcoming. I was a peaceful individual in English class since I was not sure to communicate in English. Until one day, I chose to figure out how to talk since all my companion support me to learn and talk in English class.

First: I committed a ton of error when I communicated in English however I was not embarrassed about myself. I will be embarrassed about myself in the event that you were unable to talk with my companion in English class.
